Rockwall Fitness is a **young, loud, no-excuses** gym in Krishnanagar, Bangalore — built for students, lifters and first-timers who'd rather chase a PR than a perfect selfie. The brand is acid-bright, high-contrast and unafraid.

It looks like the inside of a good workout: **fast, electric, a little chaotic, completely addictive.** Dark-first, lime-loud, real.

Always place supplied artwork.

01 - THE BREAK

The notched "O—C" link nods to a broken wall. Never close the gap.

02 - TWO-TONE

ROCK + FITNESS in lime, WALL in paper. Built for dark grounds.

03 - SUBLINE

"FITNESS" locked, tracked wide under the K—L. Never detach.

DARK-FIRST,
ALWAYS LOUD.

THE VISUAL KIT.

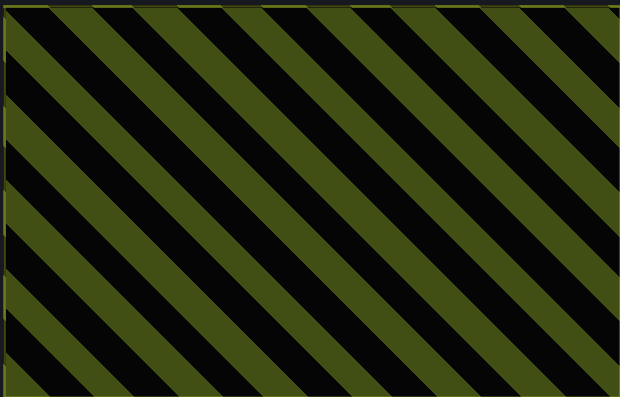

Every motif derives from the identity — the logo notch, the stretched wordmark, the photo cut. One or two per layout, never more. **The Link & Stretch are the most "Rockwall."**

DARK. RAW. RADIOACTIVE.

RAW CAPTURE

→ MONO CRUNCH

→ LIME DUOTONE ✓

Treat every photo: **grayscale → high contrast → brightness down → lime overlay ~30%**. Reads as "Rockwall" before the logo even lands.

✓ DO

- Tight crops on grit: chalk, grips, faces mid-effort
- Deep shadows, hard light
- Consistent lime duotone

✗ DON'T

- Bright, airy, stock-gym smiles
- Heavy filters or other colour casts
- Competitor branding on plates

**IN
USE.**

SHORT. PUNCHY. A LITTLE SAVAGE.

Like a gym buddy who hypes you up and roasts you in the same breath. Confident, never corporate. Funny, never mean. Bangalore slang sparingly, emoji never.

✓ SOUNDS LIKE US

- "Deadlift > Deadline."
- "Stop scrolling. Start lifting."
- "6 AM. No excuses. See you."
- "Books down. Weights up."

x NOT US

- "Embark on your wellness journey."
- "Unlock your fitness potential!"
- "State-of-the-art amenities."
- "Get fit fast! 💪🔥"
